Transferable Load'N'Go® with
1000# capacity pull-out
drawer
(60 cu. ft. secure storage)
on Dodge Ram 2500 HD

Traditional Bolt-on Service Body
without pull-out drawer
(45 cu. Ft.)
Chevy w/XW9 Pickup Box Delete
+ spare tire.

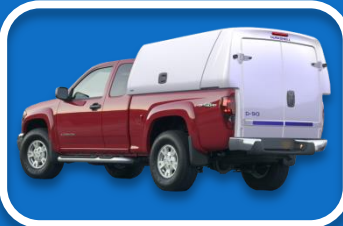

Comparison

Huge reduction in life cycle cost (35%+)

Significantly lowers tech downtime

Reduce fleet size – increase efficiency

Transferability Benefits

Higher residual value for pickup truck vs service body

Lower Total Vehicle Requirement
– less spare up-fitted vehicles

GREEN – use one tool box for multiple vehicles

Lower Life-cycle Cost

Can utilize short term leased pickup trucks as needed

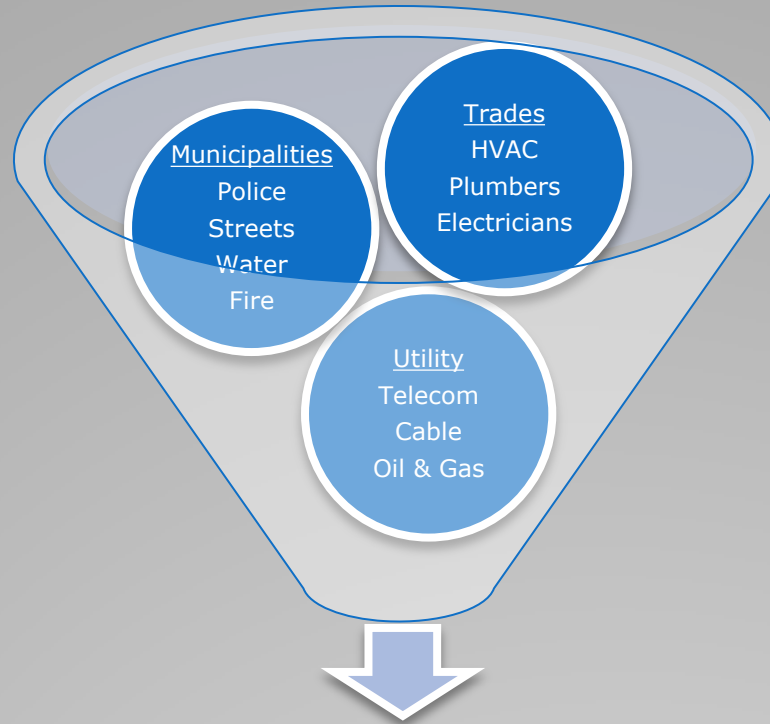

Lead time for up-fit reduced
– 1 hour vs MONTHS

Technician Satisfaction – tool box is organized “their way”

Increased Flexibility
Lower Downtime

TRANSFERABLE = LIFE CYCLE SAVINGS
TRANSFERABLE = IMPROVED EFFICIENCY
TRANSFERABLE = UNIVERSAL FIT FORD, CHEVY, DODGE

Applications

Maintenance
and Repairs

New and
Replacement
Vehicles

*Downtime and new in service times reduced
without increasing number of fleet vehicles!*

Improve Fleet Efficiencies
